

The Boardroom at The Wine School is an exclusive venue designed for meetings and intimate gatherings, offering an environment that prioritises privacy, comfort and sophistication. With a discreet atmosphere and contemporary aesthetic, it combines simplicity and elegance, creating the ideal setting for discussion, collaboration and decision-making.

Particularly suited to small groups, the room provides a discreet and functional environment for business meetings, professional gatherings and sessions requiring greater focus and privacy.

Equipped with an LCD screen, it allows presentations and audiovisual content to be incorporated into meetings. The option to close off the kitchen area adds flexibility to the layout, allowing the space to be adapted to the needs of each occasion.
